

This Road Ain't Highway
(Tero Arteli)

Lights are on when it's shining,
And lights are off when it's dark,
Supposed to see or guess,
Where to turn or where to sleep?

This road ain't highway, but it's mine!
This road is die way, far in the end!

So you have to walk on,
Your own road anyhow.
Load depends how you doing,
is ugly things in your past?

This road ain't highway, but it's mine!
This road is die way, far in the end!

What to do when your road is end?
Is there anything to left?
There is no one to answer,
but in a case: "keep it good";.

This road ain't highway, but it's my!
This road is die way, far in the end!

This road ain't highway, but it's my!
This road is die way, far in the end!
