Don't you come back tonight

(Patrick Houbaux, July 2004)

I have a feeling

I can't explain

My heart is hurting

With no deep pain

Don't you come back tonight?

Don't you come back tonight?

When you're gone I feel so alone

But you can stay there you know

Don't You Come Back Tonight

You took me money

My wine and bread

Don't be ashamed, honey

I still have a bed

I still have my car

My beers and friends

Might have a scar

But have no fence

Don't You Come Back Tonight
